We are excited to announce our newest partnership with Greet Del Ray magazine, a local publication that celebrates our community! This collaboration presents opportunities for our coworking space to connect with residents and entrepreneurs alike. Together, we will highlight local events, showcase the vibrant culture of Del Ray and Old Town Alexandria, and promote the innovative spirit of our workspace!

DIVE INTO FLAVOR AT HYPERGOAT CAFÉ!

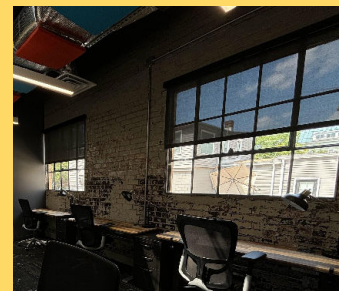

We're extremely delighted that Hypergoat Cafe has quickly become a popular addition to our coworking space! With convenient access to a variety of pastries, coffee, and tea, it's the perfect spot to fuel your workday. Open from 7am to 2pm Monday through Friday, and 8am to 3pm on Saturdays, you can enjoy a refreshing break whenever you need it, just a few steps from your desk! The talented baristas and owners are experts in their craft, ensuring each sip and bite is a treat. Plus, as a member, you'll enjoy a discount - making it even more tempting to savor and enjoy their delicious menu!

NEW AND IMPROVED @ THE LINK

We've just joined LinkedIn, and we're excited to connect with all of you! It's a great way for us to share updates, news, and all that's happening in our coworking space. If you're on LinkedIn, make sure you follow us to stay in the loop and see what we're up to. Also, be sure to help us spread the word so we can build our professional network together around our community!

Another updated feature is the new window shades installed in the upstairs offices, which is a great enhancement after the window upgrades we got in April! The shades look awesome and really help with light control and privacy. Whether you want a bright atmosphere or something cozier, they've got you covered!

In August, our website also got a makeover! The new design makes it a lot easier to check out our blogs, directory, and newsletters. With better navigation, you can find all the info you need without any hassle. Scan the QR code on the left to explore the updated site and see what's new or go to linkinoldtown.com!
